Eligibility: Must be a Frederick County K-12 student (public, private or home school). For judging, entries will be divided into four grade-level groups: K-2, 3-5, 6-8, and 9-12.

Prizes: **If at least 100 entries are received, nine students will be selected to receive prizes. With schools currently closed, we need your help to spread the word about this fun at-home opportunity!** If sufficient entries are submitted, we'll award two \$100 prizes in each grade-level group, and also post entries on Facebook for voting on an additional \$100 "Community Choice" Award. We also hope to select a number of entries to be published in an activity book, with selected entrants names and work featured.

Types of Entries: **The theme of the contest is "Recycle Right!"** Three types of entries are being sought; students may enter once in each category. *(Samples of each type of entry can be found on the contest website.)*
